

As a Safety Center and Manufacturers' Association, we at TRMA put the well-being of our employees, members, and students first. We are concerned about the spread of Coronavirus (COVID-19) in the US, especially with cases reported in our region.

To reduce the potential for exposure at our facility we are postponing all classes until further notice. We intend to follow the "Stay-at-Home" Executive Order from Illinois Governor Pritzker, which is currently effective until April 30.

All TRMA meetings and training has been cancelled. However, the TRMA office will be open and operating on a reduced schedule during this time. Our staff will continue to monitor conditions and develop plans for reopening the Safety Center as soon as safely possible. While the Safety Center is closed for training these services will still be available:

- Background Checks
- Student History look-ups for security
- Streaming Out to Safety Councils
- Streaming Site-Specific CBT to plants (contact TRMA for details)

The TRMA staff will be available via email and/or telephone to provide regular service to our members, students, and others as needed.

Phone: 815-744-3884

Training: training@trma.org

Operations: info@trma.org

We thank all of you for your patience as together we will weather this storm.
