In today's competitive marketplace, we are all looking for that competitive edge. To meet that need, TRMA is offering advertising space in its 2020-21 Directory. An advertisement in the Directory is a cost efficient means of putting your company name and message before the decision makers who utilize your products and services.

Directories will be distributed to all TRMA member companies—CEO's, Plant Managers, Purchasing Professionals, Maintenance Managers ... and would be available to prospects and businesses looking to relocate in our membership area. **Production is scheduled for this Fall, so don't delay in reserving your space today!**
